

Chipping Hammers

CHIPPING HAMMERS

- Air Inlet Size: 1/4" NPT**
Hose Size Recommendations: 3/8" (10 mm)
Standard Equipment
- Tool • Operating Instructions and Service Manual

The tool for tough working conditions, Top Cat's® chipping hammers are heavy hitters for cleaning castings and light concrete demolition work. (Always use chisel retainer.)

- Hits with more power than a scaler
- Much lighter in weight and size than traditional chipping hammers
